

**FARM TO GLASS: DIY BOTANICAL GARNISH STATION**

The Brooklyn Grange Beverage team will curate a flourishing seasonal assortment of farm fresh herbs, edible flowers, and citrus fruit at a DIY garnish-your-own cocktail (or mocktail) station bar-side! Pick up a specialty cocktail from the bar and turn it into a mini garden in your glass with the garnishes of your choice! Mix and match to make your own custom farm-to-glass beverage!

*\$10pp for cocktail hour or \$12pp for full event (3 hours)*

**HONEY TASTING STATION**

A Brooklyn Grange bee lover will take you on a tasting journey of multiple honeys (including Brooklyn Grange honey!) from different regions and seasons. Guests will be able to sample the range of flavors while learning more about how honey is made.

OPTIONAL: Turn this activity into a blind tasting competition or attendees can vote for their favorite honey and we'll tally up the score at the end!

*Pricing starts at \$1,500 for an hour and a half*

**PLANT POTTING 101 STATION**

Love the feeling of being in our green space? Take a plant home with you! Attendees can re-pot their own small plant in a terra-cotta pot with support from one of our plant experts! Our instructor will be available to answer any plant related questions your guests may have about caring for their own indoor plants! Let's green the city one windowsill at a time!

*Pricing starts at \$2,000 for an hour and a half*

**FLOWER ARRANGING STATION**

Nothing captures the exuberance of the growing season like a bouquet of fresh flowers! Each guest will have the opportunity to create their own mini arrangement as well as learn proper harvesting techniques and bouquet storage tips from our instructor.

*Pricing starts at \$1,500 for an hour and a half*

Founded in 2010, Brooklyn Grange is the leading rooftop farming and intensive green roofing business in the US, operating the world's largest rooftop soil farms, located in New York City. Brooklyn Grange promotes sustainable urban living by building green spaces, hosting educational programming and events, and widening access to locally grown produce in New York City communities.

Our rooftop farms in Brooklyn span almost 5 acres and produce over 80,000 lbs of organically-grown vegetables per year. We sell our produce at [farmers markets](#) and through our [sliding scale CSA program](#). Through our [Equitable Distribution Program](#), nearly 60% of our annual yields are distributed to New Yorkers at no or low cost.
