EXPLORE THE FARM

PANORAMIC VIEW

Scenic overlook of Manhattan skyline, harbor, and gorgeous sunsets.

EVENTS SPACE

Neighboring our favorite crops, our indoor/outdoor events space is located on the west end of our farm, maximizing the views of Manhattan and the NY Harbor.

GREENHOUSE

Growing herbs for exquisite, house-made botanical cocktails and greens our chef partners can't resist, year-round.

FARM FIELDS

We transform bare roofs into agricultural ecosystems. Our farmers employ natural farming practices to grow a wide array of crops May-November.

THE PATIO

Mingle outside. 2,000 square feet of hand-laid bluestone pavers provide natural texture and hue while managing stormwater. Outdoor lighting and sunflowers line the patio perimeter.

THE GAZEBO

Open-air with overhead covering and water views, edison bulb string lights, nestled amongst wildflowers.

ELEVATOR ENTRANCE

Direct roof access, ADA accessible, sliding glass door, original wall art.
